# ANTARCTICA CRUISE

## Buenos Aires, Argentina

If only one word could be used to describe this vibrant and richly cosmopolitan city, it would be "mosaic." Stroll along these broad thoroughfares, like the Plaza de Mayo, where famed first lady Evita Perón led fervent crowds to petition for her husband's release from prison, or visit Pirámide de Mayo, the oldest of the city's many national monuments.

## Ushuaia, Argentina

No city on the planet has a more southerly latitude. As a result, the sun shines for 18 hours during each summer day, providing ample opportunity to view the mix of glaciers, forests and sea, all framed by Mount Martial to the west and Mounts Olivia and Cinco Hermanos to the east.

## Cape Horn, Chile (Scenic Cruising)

Tierra del Fuego, Land of Fire, is the most isolated place in the Americas, and Cape Horn is its southernmost point. These craggy cliffs and windswept shores are stark, rugged beauty personified, creating a dramatic setting for the collision between the Atlantic and Pacific Oceans.

## Schollart Channel, Antarctica (Scenic Cruising)

You are certain to leave with amazing memories, and pictures, as you cruise through Schollart Channel located near Antarctica. Take in the mesmerizing sights of massive ice flows, humpback whales, waddling penguins, leopard seals and more in their natural, and somewhat extreme, element.

## Paradise Bay, Antarctica (Scenic Cruising)

This name aptly reflects the stunning beauty you'll find here, just as the clear waters beautifully reflect the spectacular mountains, such as Rojas Peak, Bryde Peak, and the Petzvol Glacier. Within these waters we may see Minke whales feeding and Gentoo penguins curiously observing us from the rocky shores.

## Gerlache Strait, Antarctica (Scenic Cruising)

A number of geographical anomalies around this channel make these waters among the most plankton-rich in the world. You're likely to see a profusion of whales feeding in the rich ecosystem, which is a sight you'll not soon forget.

## Elephant Island, Antarctica (Scenic Cruising)

This tiny island in the Weddell Sea plays a role in one of seafaring history's most legendary exploits. When the brave crew of the Endurance, led by intrepid explorer Sir Ernest Shackleton, was trapped in the ice during a 1914 polar expedition, they took refuge on this island until help arrived.

## Port Stanley, Falkland Islands

Commune with the roughly 2,000 intrepid souls who call this remote former whaling outpost home. As you hike through the rocky, windswept landscape you may observe a few of the island's flightless residents—including Magellan penguins burrowing underground, and rockhoppers carefully observing you from outcroppings.

## Puerto Madryn, Argentina

This deep water port was founded in 1865 by Welsh immigrants. Extending out into the Atlantic from Puerto Madryn is the Península Valdés, a wildlife sanctuary where vast numbers of sea elephants, whales and penguins far outnumber the few human visitors who make it out this far.

## Montevideo, Uruguay

Montevideo is a thoroughly modern city with a rich artistic tradition, the reach of the rural estancias is all around you. If ever there were a time you were inclined to indulge, delicious steaks are the specialty of the house in virtually every restaurant.

FIT TO TRAVEL STATEMENT:

Passengers registering for the tour accept the responsibility for being in good health and able to walk and travel on the cruise. The cruise ships can be quite large and require lots of walking onboard. Because many of the sites visited on shore excursions are not accessible to the physically challenged, those needing oxygen, wheelchairs, or other ambulatory assistance will find the cruise extremely limiting to their experiences. If you have questions, please contact EO Tours for more details.

PASSPORT INFORMATION, CONFIRMATION OF ITINERARY & CHECK IN PROCESS:

Passport information must be submitted to our office no later than 09/21/18. Failure to provide your passport information to our office by this date may result in change fees or denial of travel. 120 days prior to your trip you will be contacted to re-confirm your itinerary, travel arrangements and registration information during the preliminary check in process for your trip. Discrepancies in information or failure to check in for your cruise may result in change fees, delays in receiving travel documents for your trip, or denial of travel.

PRICE INCREASES:

All prices quoted in this brochure are subject to change prior to payment in full due to cabin availability changes, currency fluctuations, fuel surcharge increases, government taxes and fees increases or unforeseen circumstances. In addition, you may be subject to a price increase after payment in full has been received due to potential government imposed taxes and fees.

AIRLINE ROUTES AND TICKETS:

In order to keep prices low, EOT does not guarantee the most direct routing to your final destination. Once "printed", airline tickets cannot be changed or refunded thereafter. Air transportation to/from your destination will be economy class on IATA and ARC carriers utilizing APEX or SUPER APEX non-refundable, non-amendable tickets for groups of 10 or more flying together on entire itinerary. If you choose to depart from a different city than your group or travelling companion, or deviate your flight and/or trip plans, and/or you are taking a pre or post tour, you may fly on a different scheduled flight(s) than the rest of your group.

FLIGHT TIMES:

All flights are subject to change by the airlines without advance notice. EOT is not responsible for such changes or delays and does not reimburse expenses resulting from such delays. If you are making your own flight arrangements to the departure city, we recommend you purchase a ticket that can be exchanged without large penalties.

ADDITIONAL AIRLINE FEES:

You will likely incur additional airline checked baggage fees that are not included in the price of the tour. These fees vary by airline and are at the airline's discretion on each segment of the flight itinerary. Additionally, you may incur optional fees (food, excess baggage, overweight baggage, items of personal nature, etc.) as well. For more information, visit www.eo.travel/travelinfo/airlinefees.aspx.

DEVIATIONS:

Deviations from the standard tour program must be submitted in writing and are subject to additional airline fees, if applicable. Transfers for passengers who deviate are not included.

ITINERARY CHANGES:

Every effort has been made to ensure the accuracy of this brochure. While you will see all sites listed in this brochure, the order of sites and/or days and number of days may be altered to accommodate changes in cruise line, airline, hotel schedules, and local conditions. Due to cruise and airline schedules, some participants may receive one or two extra leisure days at a nominal per day charge and some extensions/options may not be available on all departure dates. If itinerary changes necessitate extra overnights, you will be charged \$150 per night; single rooms \$200 per night. Meals for extra nights are not included.
