FIT TO TRAVEL STATEMENT:

Passengers registering for the tour accept the responsibility for being in good health and able to walk and travel on the cruise. The cruise ships can be quite large and require lots of walking on board. Because many of the sites visited on shore excursions are not accessible to the physically challenged, those needing oxygen, wheelchairs, or other ambulatory assistance will find the cruise extremely limiting to their experiences. If you have questions, please contact EO Tours for more details.

Passport information must be submitted to our office no later than 11/11/20. Failure to provide your passport information to our office by this date may result in change fees or denial of travel. 150 days prior to your trip you will be contacted to re-confirm your itinerary, travel arrangements and registration information during the preliminary check in process for your trip. Discrepancies in information or failure to check in for your cruise may result in change fees, delays in receiving travel documents for your trip, or denial of travel.

PRICE INCREASES:

All prices quoted in this brochure are subject to change prior to payment in full due to cabin availability changes, currency fluctuations, fuel surcharge increases, government taxes and fees increases or unforeseen circumstances. In addition, you may be subject to a price increase after payment in full has been received due to potential government imposed taxes and fees.

DEVIATIONS:

Deviations from the standard cruise program must be submitted in writing and are subject to additional fees, if applicable. Transfers for passengers who deviate are not included.

ITINERARY CHANGES:

Every effort has been made to ensure the accuracy of this brochure. The order of sites and/or days and number of days may be altered to accommodate changes in cruise line schedules and weather. The cruise line has the ultimate control over your voyage and may, without notice, alter the length of the cruise and the order of and/or inclusion of ports. EOT is in no way responsible for these changes and does not make reimbursement for such changes.

PREGNANCY/INFANT REGULATIONS:

As to pregnancy, a woman cannot have begun her 24th week of pregnancy at any time before or during the cruise. If you are pregnant, please provide a medical note upon arrival at the pier for check-in from your physician stating your expected due date and medical fitness to travel. If you are in your 24th week of pregnancy or have completed it you will not be allowed to board the ship. Because of limited medical facilities, infants must be at least 24 weeks (6 months) of age on the first day of the cruise.

VALIDITY DATE:

This brochure is valid until 03/31/20. If validity date has passed, current brochures may be found at www.eo.travel. Registrations will still be accepted after the validity date.
